The Free Entertainment.

Judged by the large audience, present, and the evident satisfaction manifested with each number on the programme, the first of the series of free entertainments given by the Blue Ribbon League, Saturday night was a success. Certainly those who contributed their service had nothing to complain of in the way of lack of enthusiasm. Every number was roundly applauded. President Gowen's speech of welcome was in good taste and hearty. Mr. Cruzan had charge of the programme, which had for its first number "Tancere," a sparkling duet for the piano, so capably played by Miss Maggie Hopper and Miss Susie Young that it evoked hearty applause. "Marc Anthony's Oration," with variations," as read by Mr. Dredge, "brought down the house." Mrs. Cruzan sang "The Clang of the Wooden Spoon," and in response to an encore sang "Little John, Bottle John." "The Knight and the Lady," as recited by Mr. Gowen, pleased the audience immensely, but he declined to respond to an encore. Mrs. Brown's solo, "Let Those Who Quarrel do the Fighting," was the gem of the evening, and in response to an encore she sang "Sing, Nor Let One Note of Sadness." Mr. Cruzan gave one of his characteristic speeches, full of fun and "points," in which he outlined the objects for which the Blue Ribbon League was organized. "The Wanderer's Joy," a duet by Mrs. Cruzan and Mrs. Brown concluded the entertainment. In response to an invitation several names were added to the pledge.

Another entertainment was announced for next Saturday night, at which time Rev. Mr. Ogil will deliver the address and the musical and literary entertainment will be furnished by Mrs. Hanford, Mr. Morse, Mr. J. F. Brown and Mr. Macdonald.

The Volcano.

Under the direction of 21st Mr. J. H. Mabey, Manager of the Volcano House, writes:

Heavy rains on Kaula.

Pursuer Ross, of the Mikahala, reports heavy rains on Kaula last Monday. The Lihue Mill was flooded, and the rollers would not work. At Waimae great damage was done to the rice and taro patches. At Koloa the water reached the floors of the warehouse.

An Accident.

About 2 o'clock on Saturday afternoon one of J. T. Waterhouse's express wagons was turning the corner of Queen and Kaahumani streets, when the wheel came off and the native driver was precipitated into the road. No damage was done, as the horse stopped immediately.

An Incipient Blaze.

On Saturday evening about a quarter past 7 a alarm of fire was rung from Engine House No. 4. A lamp had exploded in a store on Nuuanu street, two doors below the City Market, and the fire communicated with some lattice work. It was put out without any damage being done.

By any other made in the United States. A proof of this is seen in the fact that their goods are sold as far East as Chicago, despite Eastern competition. How can they do this after paying freight over 3,000 miles of railroad, it may be asked. In the first place, their goods are better and cheaper here than in the East; again, California barley is the best grown in the United States; but the chief reason is the superior quality of the brew. As they use only the finest artesian water and the very best material, and have the best and latest machinery, they are able to produce an article that

## DEFIES COMPETITION.

Their Export Lager is so perfect that it will keep any number of years in any climate, and is sold largely in Mexico, Australia, the Islands, South America, and in short throughout the Western Hemisphere. In three years their output has quadrupled, last year it amounted to 33,000 barrels, and this year will exceed that amount. Since writing the above we learn that the Fredericksburg Brewing Co. has awarded the first prize, a silver medal, "for the best Export Lager," also the first prize, another silver medal, for the "best Keg Lager Beer."—[Journal of Commerce, San Francisco.]

Having been appointed SOLE AGENTS for the Hawaiian Islands for the above celebrated Brewing Company, we are now prepared to fill all orders for the trade and family consumption at bedrock figures.
